Dear 2012 Golf Passport Member,

Welcome to the 2012 Golf Passport program, and thanks for your outstanding support of golf in the region! Golf organizations in Maryland and Delaware are pleased to partner to bring you this great golf amenity program! As a Passport Member, you will enjoy a great opportunity to visit and play over 80 of the finest courses in the region for a passport fee of \$25 or less at each course!

Our associations exist to promote and preserve the traditions of the game. They also seek to promote fellowship, protect and preserve the environment, advocate for golf in the legislature, and to create economic vitality for the industry. We support golf as family recreation and are directly involved in junior golf programs for the purpose of "growing the game." Please visit each association's web site for more information.

We hope you enjoy the program, and please tell your friends about it. Your participation is a "win-win" for golf!

Sincerely yours,

New! MSGA eClub Membership

Add USGA Handicap Service & Tournament Eligibility to Your Passport Service

New for the 2012 Golf Passport program is the option to add USGA Handicap service and tournament eligibility, through the MSGA eClub. If you do not already have this service for through a MSGA “green grass” club, you can now add it to your Golf Passport membership for a modest fee of \$35. Couples and students receive an additional discount.

The USGA Handicap service is administered through the MSGA, and eClub members may post their scores online or at MSGA clubs. Members receive bimonthly updates of their handicap via email, and the service is officially sanctioned by the USGA.

Tournament eligibility applies to all MSGA events, including championships and the new “play days” being introduced in 2012. The “play days” will feature golf at top clubs around Maryland for a very reasonable entry fee. In addition to the Golf Passport, the “play days” are a great way to play new courses and make new friends.

To sign up for these new services, just register in the appropriate “member” category for each level (designated by the * on the entry form, or online at www.msga.org).
